The Agricultural Reunion II

Road Trip!

“LAST ORDERS LADIES & GENTLEMEN PLEASE!”

To all Seale-Haynians who attended Seale-Hayne any years between 1985 and 1991

Crikes! That's soon going to be 40 years ago for some.....mentioning no names of course.

You may already be aware of a forthcoming reunion of alumni who attended Seale-Hayne between 1985 and 1991. The reunion is taking place at the former Royal Agricultural College at Cirencester, now the Royal Agricultural University on Friday 27th and Saturday 28th May 2022. Clearly not a patch on our beloved alma mater, however a moderately suitable alternative. If nothing else it will be the first time there will have been more than a hundred respectable agricultural, land and food based graduates residing with its grounds and buildings.

If you would like to attend bookings are being taken up to and including Friday 6th May 2022 through the link on this bulletin or by calling the RAU and booking by phone.

We do hope you are able to join us
